

Who Lives in Indiana? - Tables

Go to <https://sites.bsu.edu/environmentaled/who-lives-in-indiana/> to access photos and videos of Indiana wildlife. There are two habitats to choose from, forests and wetlands. Click on a habitat to explore its photos and videos. Fill in the tables below for each.

Habitat 1: Forest

Photo #	Common Names of Each Animal Present	Is it Daytime or Nighttime in the Photo?	What behavior do you observe?
